AB4620DI	Granite Kitchen Sink

**HEAT RESISTANT**  
Alfi Brand sinks are able to withstand severe thermal shocks and very high temperatures (up to 280°) without being damaged.

**SCRATCH RESISTANT**  
The high percentage of mineral charges present in the mixture makes Alfi Brand sinks resistant to scratches, marks and wear.

**HIT RESISTANT**  
Alfi Brand sinks have an elevated strength, they are also very tough. This last characteristic protects the sinks from breakages or damages that may be caused by accidental hits.

**STAIN RESISTANT**  
Alfi Brand sinks can withstand everyday substances and food very well. Dirt and stains can be removed by rinsing and gently wiping the sink.

**NO COLOR FADE**  
Color is the identifying element of Alfi Brand sinks. The sinks' colors remain bright and unchanged in the course of time, even in case of frequent and prolonged exposure to sunlight.

**EASY TO CLEAN**  
Since the surface is not porous, the sink can be quickly cleaned by means of a standard detergent and the simple action of a towel or sponge. The sink is always fresh, clean and hygienic.

**TESTED FOR FOOD CONTACT**  
Several tests carried out by independent institutes certify Alfi Brand sinks complete suitability to food contact.

**AND ALSO...**  
Alfi Brand composite material sinks are also heat-insulating and sound-absorbing. They maintain hot water longer, and absorb the noise of the jet of tap water.

The ALFI brand Folding Teak Shower Seat is a beautiful and practical accessory that provides a convenient and safe place to sit while showering, add warmth to the feel of your shower space. The shower seat is made of unstained natural teak wood leaving you to decide if you like the natural appeal or prefer to stain or oil the wood to match your style.

With an innovative and compact design, you can easily fold the seat down while showering, then fold it up and away for extra space when not in use. Install the shower seat at the height that works best for you.

When properly installed, the maximum safe loading weight on this seat is 330 lbs.

Includes all hardware. Requires special reinforced mounting & professional installation.

Now offering our popular five sizes of shower niches in three new PVD finishes! PVD stands for Physical Vapor Deposition, and is a finishing process conducted in a high-tech vacuum chamber utilizing precious metals and an energized high temperature gas called a plasma. It results in a hard, long-lasting brushed surface that's very durable and resistant to attack by most household chemicals, and completely immune to metallic corrosion making it the ideal finish for kitchen and bath fixtures.

Ready to elevate your bathroom to the pinnacle of luxury? Introducing the truly eye popping HammockTub by ALFI brand. This elevated bathtub hangs suspended from the floor and reinvents the way we design bathrooms. Made from the same high quality acrylic as our freestanding tubs, this tub features full-length metal support beams to ensure stable installation and an unrivaled look. Offered in both black matte or white matte colors.

Requires a shower drain to be installed in the floor directly under the tub. Requires a tub filler which can be installed from the floor, wall or deck depending on the design layout.
